BOWLING!

THE FUN FITNESS ACTIVITY!

It is recommended that people get at least 60 minutes of exercise a day every day...

- ✓ **Just bowling 2 games completes 40 of your 60 minutes of physical activity...
Bowl a 3rd game and complete your 60 minutes**
- ✓ **Bowling two games results in walking a half mile using 184 different muscles
while swinging around 500 pounds**
- ✓ **Bowling helps to build a healthy mind and body all while being a participant in
a team sport**

- AND -

The bowling industry awards over \$6 million per year in scholarship money
