A Go Bowlzerk! 8 Game Score package provides teams with up to 8-10 ball games within 60 minutes to establish their 8 Game Score Total. Game totals are computed by adding up pin falls of qualifying amounts only – no qualifying pin fall may be used twice in one game. 89 is the maximum game total (49 for a Bonanza plus 10 bonus points plus strikes in the remaining 3 frames). Teams may attempt their 2 Bonanza Attempts at any time during their 1 hour of Go Bowlzerk! – Notify a center official when ready!
